

## Painters District Council 14 is Partnering for the 1<sup>st</sup> time with The Salvation Army/Chicago Temple for Angel Tree 2025

Members of Painters District Council 14 families and friends, thank you for your supporting our 1<sup>st</sup> Angel tree partnership with The Salvation Army /Chicago Temple Angel Tree 2025. Thanks also to C.O.R.E. delegates for assisting and getting the word out!

As the holiday season approaches, we come together once again to support communities, families, and their children. We are deeply grateful for your commitment to this meaningful cause.

Chicago Temple Angel Tree supports kids and Senior citizens in the Chicago community programs. These programs give joy to a child, teen, senior, or family in need throughout Greater Chicagoland and northern Illinois.

The Salvation Army identifies families in need through its community centers and social service programs. This gives children, teens, and seniors gifts to open for Christmas, so they are not alone. Donors purchase requested gifts for these individuals, and the Army provides each family with a box full of special foods for the holiday season to help everyone have a Merry Christmas.

**Please do not wrap your donated gift; they just need to be in a bag with the gift tag.**

**Please return all Angel Tree items by December 5<sup>th</sup> at Painters District Council #14, located at 1456 W Adams, Chicago, IL.**

If you are interested in sponsoring a child or senior, please reach out to Helen Chung at (312) 421- 0046 or [Helenchung@pdc14.com](mailto:Helenchung@pdc14.com). We kindly ask that you consider spending approximately \$35 per gift.

Thank you for getting the Angel Tree gift tag out to the members. Together, we can make a difference by bringing joy and hope to many families this holiday season.

Best wishes to you and your family!

Helen Chung
